Activities:

May 2005: Establishment of the Working Group

Since then:

- Regular sessions at the annual DGSMP meetings: stimulate and facilitate an exchange about methodological questions
- Facilitation of a satellite workshop with the Cochrane PH group with Hajo Zeeb
- Email list: inform interested members about activities in the field

Interested in the email list? j.kreis@iqwig.de

2010: How prevalent is quality management in health promotion and prevention and what is the benefit?

2008: No evidence: Dealing with insufficient evidence of effectiveness.

2007: Health promotion and prevention: Evidence-based? Value-based?

2006: Evidence-based complex social interventions: A dialogue about problems and approaches to solutions.

2005: Evidence-based health promotion and prevention.

There is still much to do...
